

Personal Data Usage Consent Form

To comply with the Personal Data Protection Act and to safeguard the rights and interests of test takers, please read the following terms carefully:

1. I acknowledge that I am aware of the regulations governing the BESTEP English Proficiency Test. I agree that once registration is completed, I shall not request a postponement, credit reservation, or change of the test session or venue.
2. Collection and Use of Personal Data: I acknowledge that the registration information I provide—including my National ID number, Chinese name, English (pinyin) name, date of birth, email address, contact phone number, mailing address, student ID number, academic program, department/institute, college, major, and photograph — will be collected by the Language Training & Testing Center (LTTC). This data (classified under identification, personal description, and academic record categories as defined by government regulations) will be used for test administration, the delivery of test-related or learning materials, scoring, results processing, and statistical/research activities, as well as for the purposes described in Item 3. The LTTC shall not disclose this data to third parties or use it for any other purpose without my prior consent.
3. I agree that the LTTC may use my personal data and test results for academic research and statistical analysis related to English assessment. Furthermore, the LTTC may provide such data to my enrolled institution for internal teaching and assessment purposes.
4. The LTTC may use my personal data for the duration of its legally mandated retention period. I reserve all rights regarding my personal data as granted under the Personal Data Protection Act and other applicable laws.
5. I understand that the BESTEP Test Site Regulations will be strictly enforced, and I agree to comply with all official instructions and requirements during the test.
6. I acknowledge that if the personal data provided is found or reported to be inconsistent with my true identity — including cases of impersonation, misuse of another's data, or the provision of false information—the LTTC reserves the right to cancel my test results for that session and revoke my eligibility for future registrations.
