You will hear six questions. Each question will be played twice. Please answer each question immediately after you hear it for the second time. You will have 15 seconds to answer each question.

第二部分：表達意見

Part II: Expressing Opinions

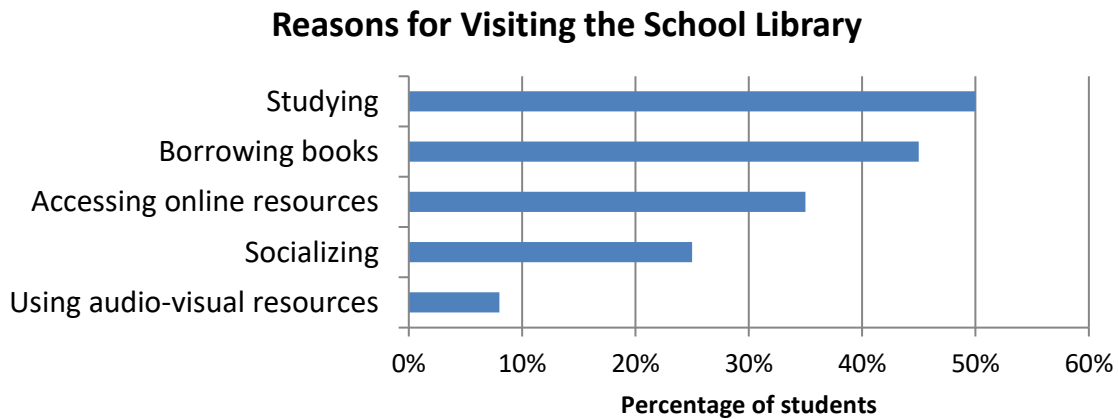

下面有一張圖表及三個相關的問題，聽到提示開始作答的鈴響後，請在 1.5 分鐘內完成作答。現在請先利用 1.5 分鐘的時間看圖表及問題，準備時請勿發出聲音。

★請注意：作答時間內需回答全部三個問題，漏答將影響成績。

On your test paper, you will see a chart and three related questions. First, you will have 1½ minutes to prepare your answers based on these materials. After that, you will hear a tone. You will then have 1½ minutes to record your answers. Please begin your preparation now.

★All three questions must be answered within the time allowed, or scores will be affected.

The chart below shows the results of a survey of students who visit the library at Jintai University.

You have 1½ minutes to answer the following three questions.

1. Look at the top three reasons Jintai students visit the library. Do students at your university use the library in similar ways? Please explain.
2. Do you prefer to study at your school library or somewhere else? Why?
3. What is your opinion of the library at your university? Please explain.

第三部分：摘要報告

Part III: Giving a Short Presentation

下面有一篇文章、一張圖表以及兩個相關的指示，聽到提示開始作答的鈴響後，請在 2.5 分鐘內完成作答。現在請先利用 2.5 分鐘的時間看文章及圖表，準備時請勿發出聲音。

On your test paper, you will see a passage, a chart, and two instructions. First, you will have 2½ minutes to prepare your presentation based on these materials. After that, you will hear a tone. You will then have 2½ minutes to record your presentation. Please begin your preparation now.

The passage and the chart below are about online learning. The information contained in each does not entirely support the other.

You have 2½ minutes to give your presentation. You should

1. discuss the **key difference** between the passage and the chart;
2. explain whether you agree or disagree with the passage. You may draw examples from your own experience or the experience of people you know.

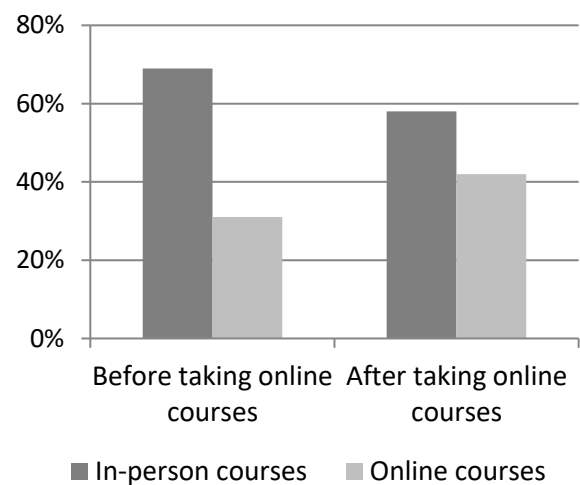

EDITORIAL

Online Learning Is the Future

In recent years, the Internet has had an important impact on education. More and more teachers are teaching classes online. Studies show that many students who have taken online courses favor this new method. In fact, students prefer online courses more than in-person ones. Therefore, I suggest that universities should direct more resources toward online teaching than in-person teaching.
